

**Blane Després** has a background in teaching French as a second language, gifted and experiential learning at the secondary level, and has taught many subjects in elementary and middle schools. He also dabbles in poetry writing, and house design and construction. He is currently assistant professor in the teacher education program of the Faculty of Education at the University of British Columbia in Kelowna, British Columbia. He is actively pursuing research in the following areas: systemic thinking applications (business-education partnerships, education, leadership), education versus schooling, homeschooling, experiential and alternative learning approaches, architecture, and spirituality in learning. He edited *Systems Thinkers in Action: A Fieldguide for Effective Change Leadership in Education* (in press), Rowman & Littlefield.
